* Off-reservation trust lands, along with reservation lands, constitute the territory over which American Indian tribes have primary governmental authority. Trust land is property associated with a specific American Indian reservation or tribe, held in trust by the federal government. Trust lands recognized in data tabulations are always "off-reservation"; that is, they comprise all tribal and individual trust lands located outside of a reservation boundary. For more detailed information see Appendix A in the Public Law 94-171 Technical Documentation.

** The Montana portion of the Turtle Mountain Reservation and Off-Reservation Trust Land is Trust Land spread over 13 counties. Only three counties have population in them: Roosevelt (12), Sheridan (10) and Daniels (2). The other counties are Blaine, Carter, Chouteau, Fergus, Hill, Liberty, McCone, Phillips, Richland, and Valley.
